

Thank you for your interest in being a part of Art of the Peace.

To date, Art of the Peace has published semiannual issues of the magazine since 2003 and maintained an accompanying website. The website features all issues of the magazine as well as a complete Directory of Members, with artist bios and images and a Gallery Directory with links to everyone's websites and email. We have successfully hosted Art Symposiums, providing networking opportunities for regional artists and a chance to learn about arts outside our region.

What does the future hold for Art of the Peace? We will continue to grow the membership, publish the magazine and website, plan symposiums and workshops, host exhibitions, support regional marketing of the arts through tourism and provide access to workshops and educational opportunities.
